Thread: [how are you sending the product to your customer?](#)

fir3k1 - August 23, 2018, 8:35 pm

what hosting do you guys use, or do you use other ways?

Adsmte - August 23, 2018, 8:37 pm

Mails? If they dont do emails they mostly dont buy at all

Asteroid97 - August 24, 2018, 2:09 pm

Everyone has an email nowadays..

Sturmschaden - August 24, 2018, 2:15 pm

Email or as live pics with fakecam if my pack is suited for it.

TridentX - August 24, 2018, 2:22 pm

Dropbox. Give them a link and let them download what they just bought. Very simple and fast.

BikerDude - August 24, 2018, 3:13 pm

i'm using dropbox !

easy and fast

Banter. - August 24, 2018, 3:31 pm

Dropbox is good hmm, few other methods but for bigger sales ive uploaded content

SIM-3627838 - August 26, 2018, 12:15 am

Like they said above, Dropbox works fine

casperr - August 26, 2018, 12:19 am

MEGA , DROPBOX , SENDSPACE

sleighty - August 26, 2018, 12:21 am

If they buy premium Snapchat, then, obviously Snapchat, if they buy extra videos, I upload them to Google Drive and send them a link so they can view, that way I can organize my customers and see who bought what.

Picture for reference:

MajorTomaso - August 26, 2018, 11:16 am

MEGA or Dropbox, I don't use anything else.

dist7act1on - August 26, 2018, 11:43 am

ive been using dropbox as well if they dont want an email (some dont trust attachments i guess?)
