Thread: [Bits And Bytes Help](#)

Njord - August 24, 2018, 9:02 am

Hello i have bits and bytes well.. did have it anyways. i reset my computer now i cant login cause my HWID changed... i messaged the owner but no reply ? i dont know what to do now :/

TrippieRed - August 24, 2018, 3:49 pm

I am having problems as well. I bought a licence off of selly and it says it is invalid. Other people have said the same.
