Just do some big boy 500 bets on slots.

You'll hit big trust me

SIM-964740 - August 24, 2018, 7:05 pm

Well done. I waqнна win big now lol. Can't wait for card games to be implemented

Smart to take advice from a guy sitting at 42 bytes LOL!

Yin Yang - August 24, 2018, 7:07 pm

Good shit man. What'd you got?

I once had 60k+ bytes tho

GloryToBe - August 24, 2018, 10:00 pm

Looks like you already lose all of them, RIP.

ama - August 24, 2018, 10:03 pm

Very nice man, I wish I could get up there again lol.

jordi. - September 17, 2018, 2:14 pm

what site is this bytes on?

i meant just what site is this. is it betting.

Vazum - September 18, 2018, 1:23 pm

I never get something from slots :)
But good luck anyway.

casperr - September 18, 2018, 1:24 pm

i win 2000bytes there and sold it :DDDD , good luck with that

i tired that and lost 8500 bytes in minutes i was trying to be like you and failed ?

xtyy - September 19, 2018, 3:10 am

how did you gain them and then how did you lose them?

By playing bytes slots :D

DopplerAF - September 19, 2018, 3:15 am

Hahah you just went to 53 bytes, make sure to edit your thread.

So am i. Its even hard to hit 100 bytes.

OCD - October 21, 2018, 2:32 pm

i lost everything
lucky you tho
