Thread: [KSI vs Logan Paul](#)

Kevinoleary - August 25, 2018, 5:22 am

I am thinking of buying a \$10 ticket to watch the fight and betting \$10-\$20 to make it even better to watch. What are your opinions on the fight?

Edit: Not going to bet \$20 to win 10 or so bucks. I am spending way more for the snacks ??

It is going to be a draw.

Lmao I was right
Stupid for not betting
