Vamure - August 25, 2018, 2:44 pm

This thread might make you very very sad. Shout out to all the HF users loosing their bytes everyday to this evil thing. ?

I totally forgot they added this new feature in so you can check the Bytes "Slot Machine" stats. You can also check your personal bytes status such as All-Time Winnings, All-Time Spins, ect.

Also I've yet to see [SlyCoyote](#) off the View Stats page yet lmao. You wild my dude. You wild.

You can earn them from being active on the forum as well. ?

Have you tried going to the marketplace, and doing small tasks for people, to get extra crypto to put towards your upgrade? ?
