Very sketch. Haven't received my PM and its been over 24 hours..

Edit: Took the seller over 24 hours to send me a link to Discord and instructions to receive my ebook. Followed instructions on the Discord and seller went offline 2 minutes later.. Updating this post as I wait.

Edit2: It's been about 2 hours. Once again saw the admin come online for about 10 minutes as another customer followed his instructions. Went offline without delivering the product. Will update again.

Edit3: Took a while but got the product. Will post review soon.
