Thread: [Disabling Panorama CSGO](#)

casperr - August 25, 2018, 10:00 pm

I found it today and thought maybe there are people who dont know it . ?

Properties - Set launch options , And then type -legacyscaleformui

oh ?

godii - August 26, 2018, 5:04 am

thanks i will try it :DDDDd

Tyronnn - August 26, 2018, 8:47 am

As the blog says though its only for a limited time till its forced 100%

Neoball - September 2, 2018, 5:30 am

Just embrace it, it looks better anyways.

looks like shit, not everyone have the same opinion as you.

Notacheater - September 2, 2018, 1:49 pm

New UI sucks and I have this weird audio bug, after every game there's this wild fucking noise like a boat horn in the lobby and the only way to turn it off is to restart my audio services

CheatsHunter - September 3, 2018, 12:26 pm

yes, unfortunately it wont last long because soon it will be forced for all ?
