Thread: [\[MAKE MONEY FROM HOME\] I WILL TEACH YOU HOW TO MAKE 2000\\$+ MONTHLY \[100% GUARANTEED\]](#)

TheForgotten - August 29, 2018, 5:35 am

Hello Everyone!

I am here to offer you my Personal Money Making method which I am using for over a year already and which makes me at least 2000\$ + monthly

Let's go straight to the method. Method is really simple to be understand and everyone would be able to use it in order to make some money.

Method is 100% done online. There is no country restriction for it. You don't need any specific skills to use that method - all you need is Internet connection.

The method can make you money even if you are 10 years old.

You are getting your payments using it via crypto currencies, paypal and cash. Your earnings can begin on day 1 using that method.

The method doesn't require an investment in order to make money with it but investment help- it will improve your earnings a lot. (Small investment like 20-30\$ works really well with it). The amount of work needed for the method is no more than 1-2 hours daily. Method is close to autopilot

The method is absolutely whitehat.

Method doesn't involve:

- CPA
- CURRENCY EXCHANGING
- Any Illegal Activities
- Gift Cards
- Ewhoring
- Loosing money

PRICE:75\$

Payment Methods: Crypto, AGC

FAQ

Does this method work worldwide?

Absolutely. Anyone can do this no matter where you are from.

Does this method require an investment?

No. Profits can be sped up by investing - which are in small increments such as \$20-\$30 - but it is not required and you can still easily earn just as much without investing.

Is this method legal and whitehat

Absolutely. Nothing about this method is immoral or illegal, you are 100% safe and legitimate doing this.

How much can I realistically earn from this method?

Earnings will of course depend on how much time you put in. But for example, let's say you put in 1 hour per day into this method, you can easily be earning \$500-\$1,000+ per week from just 1 hour per day.

How long until I start to see earnings?

You can start earning as soon as you begin the method, getting your ROI will be quite easy - which

is why I feel the pricetag for this method is 100% justified.

This FAQ will be updated as more questions are presented.

Method looks good, can be executed without or with very low investment and has some earning potential. Requires some work at the beginning but later on it should take you very little time per day.

I'll execute in 2-3 weeks so I'll drop another update in about a month

(Sep 6, 2018 08:10 AM)Simon_ Wrote: [\[CITE\]](#) Bought the method some time ago. I am really satisfied with how simple and profitable it can be. It's easy to manage, you don't really have to invest in it, but you can - about \$15 will be totally enough. Remember that most efficient investment is your own brain. Use it and you can get everything that you want.

Just so everyone knows, ParaMiTreba translated to "I need money" in Croatian/Serbian/Bosnian so think about that before buying the "method" ;)

Are you giving out vouch copies?

I have 1 customer already, I will be waiting for his vouch :)

Mazak82 - August 30, 2018, 11:09 am

I'm the customer and I'm currently waiting for OP to deliver the method - we'll keep this updated.

Skull-13 - August 30, 2018, 12:42 pm

Waiting for the reviewer to drop some reviews about this method. GLWYS!!!

TheForgotten - August 30, 2018, 5:57 pm

I've been getting doxed the whole day from users from another forum.

Would provide the product in the morning and would be more than happy to start working with my customer because the success hidden in the method is how well I teach him to do it because this is a direct mentorship between me and him and I will have to teach him everything he needs to know because he may not understand that well on his own :)

Mazak82 - August 31, 2018, 5:35 am

Still no contact from OP even though he's active on HF

wecanbothwin - August 31, 2018, 5:54 am

pretty steep pricetag for a 'new member' and no vouches - and your one customer has not received the product yet. I'd suggest giving a few vouches out.

OP provided with me with a discounted copy. Going to try his method and post results. So far it looks really promising.

Shelob - September 1, 2018, 4:46 am

Can i have a vouch copy i will write a honest review.

Hey ive recieved a vouch copy from seller, i won't lie about this i will give honesty.

First of all this method could make some profits if well managed, but you have to give it time and your brain as an investment

i told the seller about lowering the price a lil bit though, since its to much

I just realised that you have another thread here: [THE EXACT METHOD WHICH MADE ME OVER 3000\\$ IN AUGUST 2018 \[100% NOOB-FRIENDLY\]](#)

Is this related to this thread, if so- why does one say \$3000 and one \$2000?

No, these are 2 different money making methods

Btw mind sending me your Discord so once I get back home we can begin our session

Time flies, we have 1 month !

Also I hate so much being bullied by users with higher user level status just because I am new
My methods are 100% legal, I did not stole anything from anyone and all the payment proofs are real

While you hate, I make money
