Thread: [In search of partner with good SE skills, target spreading \(Serious \\$\)](#)

Fzsix - August 30, 2018, 4:50 pm

EDIT: As of now nobody I've spoken to fits the job. It's still open. DM.

Cut and simple, need somebody who is good with their words and good with people. Somebody with a lot of cryptocurrency-related connections. Preferably having English as a first language or otherwise being very fluent. There is a LOT of money in this, seriously.

DM for more info. Not posting specifics on this thread.

Hint:

You're better off contacting knowledgeable members directly. All the replies here will waste your time.
