Nah, Ive made about 3 accounts on Hack Forums over the last year. Including iPaddyCake4hire, but have forgot logins and such. Juicy- sold me the snapchat account and the picture pack.

Yeah m8 created a account to brag about making \$400 instead of just posting it on this account. Would have gotten away with it too if it wasn't for you.

6/10 plan will try again next time

smokedowt1 - August 31, 2018, 1:47 pm

what is this? is this just selling snapchat premium/nudes or is it that gay sexting dudes and getting sugar daddies shit?

BTB™ - August 31, 2018, 7:05 pm

I'd say it's a mix of both. You have to put in a lot of time but it's super easy work. Flirting with the dudes usually gets me the big bucks.

Ya I've lost the log in's to all of them. I think the oldest one dates back to around the time of the Black Ops 3 release. So 2 years ago.
