Thread: [\\$10 BTC/ETH CONTEST \[ENDS: 9/11/2018\]](#)

GRAHAM OAKMONT - September 4, 2018, 7:43 pm

Hello,

This is going to be my first contest/giveaway on Hack Forums. I know it's not a big amount but I figured it's something and someone could use it.

All you have to do to enter is post + rep. I'll use random.org on September 11th 2018 to pick the winner.

You can post as many times as you would like for increased odds.

BTB™ - September 5, 2018, 1:15 am

Why not! It gets more attention and can create discussions while giving the community more chances to win.
