Mail spamming services

I run off a network of botnets with a mailing spammer script with 2 of my others on my team who help / assist me in all of this

We're from Exploit.in

We only work through jabber / discord

Minimum buy-in 25k

No nudity, porn, videos of profanity / provocative behavior

Pricing (bitcoin/cashapp/venmo)

25k/ \$100

50k/ \$175

75k/ \$250

100k/\$325

any higher orders than that, please contact us for bulk pricing

All emails will be sent to inbox 100% / from any specified spoofed email you'd want / niches vary

Contact information

Jabber: niktomail@exploit.im
