.:| Ysar's BotShop and Spreading Service |:.:

Welcome to my botshop!

You have a bot, RAT or any other tools you want to spread?
You don't know how?

Here is the solution: Buy cheap spreading service from me!
Slave the world!

.:| SERVICE |:.:

I spread your bot, RAT or any other tool with private methods
and through botnets I do not need anymore.

You get as much LOADS as possible.
LOADS = your tools are downloaded and executed.

If your tools are FUD the success rate should be 100 %.

All bots my bots run Windows 7 or above.
About 75 % are x64.
About 30 % are with admin access.

(currently I am spreading through 4 nets in total)

.:| PRICE |:.:

5days = \$ 50.00
10days = \$ 90.00
20days = \$ 170.00
30days = \$ 250.00
60days = \$ 400.00

~*~

Crypting Service = \$ 5.00/crypt (not available right now)

~*~

Payment in BTC / Bitcoin only
MAKE ORDERS BY PM ONLY!

.:| RULES |:.:

I do not spread 1st - you have to send the money and the link to your tool.
After 1 confirmation I start spreading.

If you do not trust me - do not buy!

Crypting Service is optional but highly recommended if your tool is not FUD.

You buy loads = it's up to you that your tool:

- is FUD, except you buy crypting service
- is configured correctly
- is working

PLEASE: Test your tool before sending the download link to me!
Just use a VM for that - it's easy, it's fast, it's safe!

If you provide untested EXE/BIN it's your own fault if you do not receive any slaves.
I won't send your file through my botnet over and over.

Let me spread WHATEVER YOU WANT!

No restrictions but your tool must be smaller than 3MB.
You can botkill etc. etc.

I gonna check my PMs at least once a day, so be patient, please!

Leave feedback here in this topic after your purchase!
Questions, support etc. by PM only!

..:| SPECIAL OFFER |:.

First 3 customers get +2days on their orders.
