Sadly if you didn't open a contract, the DD is invalid

HE BLOCKED ME!

This will probably get deleted. You're not allowed to do currency exchanges without a contract

But why HF just let scammers run?! I didn't open a contract okay, but its not a scam report, its a Community alert so why should they delete it?!

If you read the Help Doc. and the pinned posted in the marketplace, you would've known that STAFF DOESN'T GET INVOLVED IN ANY DEALS and that YOU DEAL AT YOUR OWN RISK.

No one said it's not a scammer report, it's just not a valid one because you didn't follow the rules and use a contract. Live and learn.

Anyways who the hell is this guy, im newbie maybe, but whats his point? I didn't answer in 5 second to his message so he leave me negative reputation.

After i message him back , he changed it , i sent him the money and then he blocked me.... :)
