Thread: [American Eagle Designer Clothing For 25% only](#)

McRoyal - September 8, 2018, 6:15 pm

I sell American Eagle Vouchers For 25% of the real value

10\$ = 2,5\$
15\$ = 3,75\$
40\$ = 10\$

How does this work

1. You Go To ae.com and get as much clothes as you want
2. You put in codes on checkout page and get your discounts (You Can Use 10 Vouchers on Checkout)
3. Make sure you pay 0.1\$ at least so your order confirms

If the code doesn't work I will refund or replace.

Payment methods: BTC/ETH/Other gift cards accepted as well.

So these can be stacked?

What's the price for these vouchers? Any vouch copies?

What do you mean by stacked? Also I will not give free promo codes but maybe discounted one for less than 25%.

Manks - September 8, 2018, 6:21 pm

Are you looking to sell a bunch of codes for a certain price; like different percentages?

What exactly are you selling here? Vouchers that give a \$\$\$ amount off the cart total or a % off the cart total?

McRoyal - September 8, 2018, 6:37 pm
