Thread: [HOW TO CREATE A STRONG PAYPAL ACCOUNT AND AVOID LIMITATIONS!](#)

Arctic Wolf - September 10, 2018, 10:45 pm

Requirements:

- *Must live in the US
- *Must be 18+
- *Must be able to verify ID

What it does:

- Teaches you how to build a strong PayPal verified Bank Account
- *Teaches you how to acquire create a Paypal account not using your information
- *Whitehat (NOT ILLEGAL AT ALL)

I know this a very non-descriptive post but I will continuously update this thread to get the quality of the thread.

I will be giving out 2 Vouch copies for reputable members.

I've received vouch copy so here is my small review.

Ebook is indeed as OP advertised, it's very simple to execute & you can build a strong account within minutes.

Everything is 100% whitehat (you're not stealing anyone's information, buying hacked xyz, or anything like that).

OP also included multiple images in the ebook, making it super easy to follow the tutorial and do all the steps. I didn't seek any assistance or support because the whole ebook is super simple to follow and apply.

Thanks! ?

Still giving out VC's? If so I'd like to get a Vouch Copy :)

Hollow™ - September 12, 2018, 3:12 am

I would like a vouch copy if you're still giving one out.

Thanks!

I received a vouch copy from OP.

The method itself is solid, and completely whitehat.

It's easy to follow with pictures when necessary, spelling and grammar etc is good.

Overall, this method will 100% make your paypal account bulletproof as long as you follow the guide and fit the requirements OP has set out in the top of the post.

GLWS, Very good E-book
