Thread: [Telegram Bot \(People adder\)](#)

XSillentKillerX - September 11, 2018, 9:14 am

Is there anywhere i can find a telegram (bot) which adds people? I know there are paid ones, but are there some here on hack forums that i can get for free?

Can you find a post where people sell a bot for telegram (to add people from another group)?

Entim Inc - September 12, 2018, 7:39 am

Nope you will not find one for free here on Hack Forums.

Hi OP, did you finally see the telegram group bot that adds users automatically to a group? I also need it.

Yes I bought one after some time, sorry for the late response.

Bought the one that scrapes groups and one that adds people as well
