Thread: [Some bots cooperate with the idea that any seller interested in contacting me](#)

ttmyself - September 12, 2018, 2:03 am

Many people own bots, many people want to buy, especially people from the East, we don't have English advantages. Now I have a lot of people who want to buy bots, but they hope to buy a small part for the first time. I hope to be willing to cooperate for a long time. PM
