I gotta say that's one of the nicest looking guitars I have ever seen. How much did it run you?

This was actually handed down to me from my old man.

I'm not entirely sure how much he paid I think it would've been around \$900ish NZD

EDIT: Just found it online. \$1000nzd

I'm a shredder bro.. I got a 63' Gibson SG, Fender Paisley Strat and a Ibanez Roadstar II. Also have a Fender Tele but that's taken apart bc I'm repainting it.

Never played guitar but totally interested in learning it, maybe next year.
