Could you pm me when you're free? I'm curious about what all can be searched in your databases and if you'd be able to help me. Thanks (:

baskurwa - September 20, 2018, 2:23 pm

Hey mate would love to gain access to these databases please. :)

Thanks (: Any query can be searched. If you're looking for an email like test<some number>@gmail.com and dont know what the number is, I can narrow it to between 0-999 and get all results for you, etc.

If I had time, I could separate all hotmail, gmail, and yahoo and make some mad mailing lists lol

Sorry to those couple DM's I have which I haven't replied to yet, I'm away for 3 more days until I have my HDD which is at home.
