if this is real I'd be very interested.

oluwo - October 14, 2018, 7:54 am

I cant open a dispute because the new HF law says there has to be a contract on HF for dispute to be opened

sixorev - October 14, 2018, 7:58 am

idk man it can cost anywhere from \$0.4-\$1 per opened email with paid email traffic, this is simply too good to be true.

Then I guess you dont understand the Ad by the OP.. its not to claim traffic, it is to send messages to inbox of email list

sixorev - October 14, 2018, 8:12 am

Yes, it's \$1 dollar per opened email that is sent to their inbox. I understood what he's selling immediately.
