Thread: [ToXiiC uid=403070 Do NOT do CE exchanges with him. HAS NO FUNDS or Exit Scamming](#)

RasingPrices - September 18, 2018, 12:23 pm

User ToXiiC is still accepting CE deals on here even though he is wayyy backed up on deals.

can see here he just making excuses and arguing with members instead of refunding members

Do Not deal as he may be exit scamming etc but one thing is for sure. you WILL NOT get your funds in a timely fashion if you send them to him.

Damn what a hoe, dudes been on HF for like almost a decade and fucks it up for a couple hundred bucks.

hdhd - September 18, 2018, 10:36 pm

It is kinda odd, i did a small deal with him yesterday and everything was done in less than 30 mins, if he was exitscamming you would think he would take as much as possible, but maybe our small deal was just bait.
