Thread: [STANFORD STUDENT || HOMEWORK / Computer Science / Essays / College Apps / Resume](#)

blobtown - September 18, 2018, 8:27 pm

Hello!

About me, I'm an undergraduate student at Stanford University majoring in Computer Science. This past summer, I worked at Facebook as a software engineering intern.

I specialize in: Computer science homework (java, c++, c, python, html/css)
College applications
Essays
Resumes

A peak of my resume:
Spoiler [\(Click to View\)](#)

If you want proof that I go to Stanford, I can verify my school email + show you my school ID.

Pricing:

20 for simple work
40 for medium work
60+ for complex work

Payment methods:
BTC
Paypal (Extra 5% for fees)

[Post below or PM me. Let's set up a contract and talk on discord. I can work extremely quick as I don't have school until September 24 ;)]

Do you know PHP 7.2? - Not HW but need some small code work done quickly.

Bear - September 21, 2018, 3:54 am

Shouldn't post your client's works online as your clients can be easily tracked with them.

Good luck with your sales bud!

reBELLYus - September 21, 2018, 2:00 pm

I wish you nothing but success. If you ever need any help, feel free to reach out to me directly. See you around.

Thanks for the advice! Normally, I don't showcase their work online (for privacy reasons). However, this client gave me consent to post their work :)
