Thread: [1 bump in my thread > +1 popularity](#)

Siculus - September 19, 2018, 2:29 am

Bump my thread, and get a +1 rep / popularity.

I can +rep at max 10 people a day, so please don't spam.

Thanks

its not about the section rule , asking for vouch in exchange of good is not allowed this makes you fake , i advice you to close this thread before staff take some action against you

Bumping != vouching, lying about the product.

To the mods: if this thread breaks any site rules, please close it.

People get banned for buddy bumping and fake vouching. This is no different. Not allowed in any way.
