Yeah, I can. I don't need \$3 lmao. Not even worth doing it. I don't need small shit.

GrandpaSherman - September 19, 2018, 8:14 pm

\$3 to click a button sounds good to me, you must be a high roller thinking someone wants to spend \$30 on something as pointless as views, and then to not consider that maybe someone doesn't want 100k views in 30 minutes maybe that looks a bit odd. I don't know everyone runs businesses their own ways. TwitchHelper certainly did

Kinda sketchy tbh, turning away business and then making humor of it. Not going to say anything but last person that had the same attitude tried to scam me. Nobody needs 100k fake channel views when most people only got 1-5k followers on twitch. I want my account to look legitimate not absolutely fake. But anyways, might want to think about that for the future.

OK what is your channel name. I'll do 5k for \$10 and I'll go first.

Galaxias - September 20, 2018, 8:24 am

If you're willing to do this for \$20 and go first, I'd love to purchase this as your first (apparent) customer.

If I'm paying \$10 now I'll get 25k views, for the pricing difference.

Abe Washington - September 21, 2018, 6:36 pm

Completed the order for Galaxias.

Abe Washington - September 23, 2018, 10:28 am

Still able to do this. Willing to do 50k for \$15.

Dodgers - September 23, 2018, 1:18 pm

I'll take 25k views for \$10. Hit me up.

Galaxias - September 23, 2018, 2:26 pm

Forgot to leave a vouch but I bought 100k for my friend, got it insanely fast!
