I can upgrade your personal account to premium.
Accounts warranty is usually 6 months+

Price per account upgrade: \$1

REGIONS : US GB BE HK LV BR JP SE NO PH IT ID DE TW

You can also make an US account with VPN with an US adress.

I also sell cracked account for \$0.50. but i do not give any warrenty.

How does this work exactly on the accounts end after it's premium?

Don't they charge monthly for premium accounts or am I missing something?
Sorry I don't know much about Spot

Hello, I do not have BTC, but if I paid you extra with PP would you accept? If youre strictly BTC only, then I understand :) Thanks !
