Scammer and Ripper!!! If you asked for proof He'll pay edited Youtube video on Anydesk or teamviewer while you think proof is real after he blocks asap.

Was scammed of \$500 see proof below

SCAMMER who is hiding behind this name "Ekros" is some turkish Retarded Faggot with nickname RAZOR, he also selling FAKE crypter named "Razor Crypter" and FAKE exploits named "Razor Exploits", this is one of his YT channels: <https://www.youtube.com/channel/UC63liKmFkbjCllmjj5DoNNw>

DO NOT BUY ANYTHING FROM HIM !!!! He's an old and well known SCAMMER for many years on the interenet!

he's also tried many times to post INFECTED version of his shitty crypter here on nulled, but people exposed him, and all his fake accounts are banned from nulled!

Ps: here you can find his real personal data, name and surname and address where he lives:

Opacity Software - October 15, 2018, 10:06 am

Scammer.. Do not buy. The address of his house. where all the information where he lives is present.

bijenu - October 19, 2018, 7:32 pm

any test copy for me to see

SIM-3616989 - October 29, 2018, 4:10 am

Thanks for the information i nearly paid him for the exploits but as soon as i saw this info i asked him to give the exploit before payment and he refused and requested for the payment first and i too refused

You changed Your Nickname!

This guy lives to make scamm as Opacity Software do, as You can check under this videos, is the same person with some desktop changes and also changed the visual styles os their Desktop app.
