You cant use paypal for obvious reasons. Try the currency exchange section.

I would also reocmmend localbitcoins.com as an option I see people doing PP to BTC all the time there.

I do not endorse it for obvious reasons, but eh, to get started, you gotta start somewhere.

No knocks at CE's on HF, but I deal business, and I find more viable solutions. Note people RARELY find me on HF looking to exchange... reasons stand.. heh... ?
