SH4DOW's eWhore Pack Shop

Hello,

I've been creating my own custom packs for ewhoring for over 2 years now and I have decided to open a little shop. I'm offering top quality packs at a reasonable price.

All girls in these packs are over the age of 21 and get paid for their part of the job. Girls in the "Premium" part are actual part-time models. I offer weekly updates at no extra charge, accept photo requirements and provide discount to long term clients. All packs include verifications and hundreds of non-nude, semi-nude and nude photos and videos. I don't offer vouch copies. All packs will be replaced with new ones after some time.

As a gift to our community, I have included one free package.

I only accept BTC at the moment.

Hi,

Natalie has over 250 photos, more to come in the future tho. Videos differ from 10sec to 5 min, there's about 30 videos.

Vanessa has over 700 photos, free updates aswell. Videos are usually about 1-2 minutes, over 50 videos at the moment.

If you're looking for a vouch for someone that is somehow recognizable in e-whoring community - hmu.

Zexi - *October 4, 2018, 3:21 pm*

If you are giving away a vouch copy to someone, i'd love to do one! :)

P.S. Wrong section unless you buy the sticky.

I still haven't received the updates. Messaged you on rocketr. Email is kiara.hazel95. Please send me the updates Asap. I'm losing money not having what I need. I want to buy the premium packs too but need to make sure you deliver first.
