Thread: [Lil Pump? Anyone?](#)

Snowwy - September 25, 2018, 11:45 pm

Does anyone here like Lil Pump? Honestly... I have never really heard a lot of his stuff but I just listened to some songs and well.... I am undecided.

His stuff is okay, I don't mind it actually.

I like his music for his music's beats and hype. If I wanna listen to something with meaning I'll listen to anything else. Lol

Sounds lit. Would love to go to Rolling Loud, too bad they do not host an event of that magnitude in Chicago often, however, I believe Cole Bennett is supposed to be organizing some huge thing next year out here.
