When things like this happens to me especially for such low amounts i usually don't even give a damn but this time i am mad indeed and the user is not even trying to resolve this.

Talking about user Albasocial with uid=3728666

And about his Social Media services website <http://albasocial.net/>

His thread on HF -> Spoiler [\(Click to View\)https://hackforums.net/showthread.php?tid=5867113](#)

Brief description of issue : at 2018-09-23 13:00:24 i ordered 2000 + 156 twitter followers from his website (had to do 2 different orders since 2K is a limit).

Can be seen here -> <https://imgur.com/a/LUFXZtl>

The 2K order got to processing (still haven't got even 1 from them)

The other order was refunded 1 time, i re-ordered it got 44 out of 156 and then it stopped AGAIN so i RE-ORDERED and it says i got 33 so let's say $33+44 = 77$.

Well these are the ones i have in my twitter -> <https://imgur.com/a/InSsrEW>

Anyway, i contacted albasocials on his HF sales thread, that's the responses i got:

Also saying to me that the ticket i opened with the name won't be answered obviously by support when his rules on his page say "OPEN ONE TICKET ONLY" so i obeyed obviously.

Website says ONE ticket at all time : <https://imgur.com/a/yZju248>

Lastly his support team on his website : <https://imgur.com/a/IHbHfUQ>

The last ticket was not even replied (opened 25-9-2018) which is after his response and they say the respond every 4 hours lmfao.

the other as you can see has no answer at all too.

This is a community alert since i cannot open a scam report against this user, we didn't deal in contracts but me through his social media selling site which i found here.

Be warned.
