Happy Birthday man! You should lay of the Xanax though. It's never been cool, let's stop the trend.

I have terrible stories of people I know screwing up their lives on bars.

s1nister - September 26, 2018, 6:00 am

Happy birthday bro, enjoy your day

Though I guess B'day threads have been banned at HF

I love how everyone is talking about my nickname, I really appreciate the concerns. I never took Xanax, I just sold some for some extra cash for tacos

for tacosOk, I'm less worried. I just really hate to see people take such dangerous and addictive drugs when there are better alternatives for recreational use without the risk.
