WELCOME TO

TIME MACHINE

This thread acts as a Time Machine with respect to the memories that we spend now. So in future you may come back to this (past) thread to refresh your golden memories

So you may have some questions like what to post?

It's simple just post your image of

- 2) Your signature of any time (past, present or even future if you plan to come back and keep this thread alive)
- 3) Postbit HF profile which includes avatar, posts, threads, popularity/rep, bytes count along with colorful HF awards

So that in future you may come back to this thread to view your old memories with respect to any suspended groups or awards (like l33t suspended when upgraded to r00t/uber)

Who are allowed to post?

All the :-

- *New member,
- *Old member,
- *Non upgraded member
- *Upgraded member-->3P1C, L33T, UBER, R00T, R3KT, VENDOR (and anything which may come in future)

- *Mentors, Staff, Admin of HF

How many times can you post?

Any number of times until you have something new features added to your account such as user bar, award, signature etc. But request not to post duplicate images with same content again and again.

Code to post image:

That's an interesting idea. Might be a good idea to make all of the images spoilers, some of them take up a lot of room.

I would have but I think you forgot the thread editing limitation buddy
L33t can edit for 10 times
r00t can edit for 15 times
Only staff and admin can edit thread for unlimited times
If I start editing now then I will miss rest of the members after 10 edits ?
