I already purchased epic and leet, now i'm after R00T!

When i try to upgrade i get this msg "You need 100+ reputation to upgrade into this group."
Therefore i'm giving away free bytes to everyone who gives me "reputation" to get my "Popularity" up.

+1 equals 3 Bytes

+2 equals 4 Bytes

+3 equals 5 Bytes

Not to be a downer... but OP, you need 90 days registered to upgrade. Too.

Thanks for the bytes though.
