Not sure what it is, but how can I join?

If eligible. Interested in joining a group, as I become more active here.

ProtectNull™ - September 26, 2018, 9:20 pm

I remember Infamous! I was about to join the group but it disbanded. Nice to see it back again.

Waiting to see what's to come with crews before we decide to commit to purchasing one. I could potentially end up converting c\$sh into a crew. Time will tell.

I guess the hard part is just finding someone with the funds, and willing to purchase.

Yeah I've changed my mind since that above post.

Crews are at very max worth \$2k so I'd be silly to convert my group to one.

Average rate is 0.02/byte. Some sellers are higher and lower but .02 is about average.

Dear Infamous leaders,

mael here. Just wondering when I get my invite considering I'm actually infamous.

Or is the name just for show? I don't believe you have a single infamous member. They are all relatively popular people actually.

If you want a member that lives up to the name I will be willing to accept your offer.

Warm Regards,
mael
