Did you not create a marketplace contract? If you never they will shut this down as an invalid dispute my dude.

s1nister - September 29, 2018, 2:46 am

Why didn't you use a Contract bro?

I can see this dispute getting closed

IAmDaniel - September 29, 2018, 3:19 am

Damn sending 360\$ to 5 post users, seems smart as hell

You've been around long enough to know this is invalid without a contract

10. Discord advertising not allowed.

It would actually be interesting to see how staff feel about discord being posted in this context. It is relevant to the scam report and can't be seen as advertising this user directly since it's in a negative context. It does still get the site some publicity on here though

PerfectStorm - September 29, 2018, 10:10 am

No contract means invalid ugh.. always with these. Idiots.

FuxXER - September 30, 2018, 5:50 am

Thank's ya all Policewomen! Stop blabla on my thread.

manbearpig86 - October 1, 2018, 1:45 am

Though the report looks legit, there seems to be no contract so this thread might get closed.

Also, should have not trusted profile with 5 posts srlsy..

Many high rep accounts also hit an run though.. sorry for your loss.

I make this thread just to alert members, cause really useless for me to make this thread actually, mod can close this anytime.
