Seen this many times, they all have subject "closed" and content "closed, closed, closed". Is this allowed?

Vuln - *October 1, 2018, 8:28 am*

No, because it hurts SEO.

Yu Yan - *October 1, 2018, 8:28 am*

Probably not good for SEO so i assume not allowed.

Not allowed and report anyone who you find doing it on a massive scale.
