Thread: [\[AUTOBUY\] SPOTIFY UNLIMITED TRIAL ACCOUNTS](#)

prex97 - October 1, 2018, 11:58 am

Tired of cracking accounts which will be dead in few days?

With this private method you will be able to generate unlimited trial accounts, lasting for 2 months.

You will be the only owner of the account.

This method is completely legit

and will let you make a lot of money for reselling them.

Since I haven't 50 messages on this forum, PM me to get the Selly's URL.

they are simple questions that do not reveal the method

1. need investment for account
2. They can become family accounts.
3. it is via sms.
4. How many can I create per day
5. Are countries used, au, uk, gr.?

Nothing more!

I agree.

I'd purchase but I would like to know this information before purchasing, just like anyone would...
