Thread: [Group Design \(Userbar & Sub-Forum Icon\)](#)

ida - October 1, 2018, 4:07 pm

I need group design done for a new group.

Userbar and sub-forum icon - most likely a header too.

The name of the group will be esoteric.

Design has to scream aesthetic with a red theme.

Red as in:

Aesthetic as in:

Do an image search for esoteric for ideas.

Someone help this non homosexual man out with this project!

Lukas - October 1, 2018, 4:55 pm

red as in

aesthetic

Oh shit, awesome to see you own a group again.

Not sure I'll have time to submit something, but just want to wish you good luck mate!

Hopefully you'll get some solid entries.

Should try contacting Chngement. He'd probably be the best match for something like that userbar.

Stellar - *October 3, 2018, 5:14 am*

Il make some nice stuff for you

Chngement - *October 6, 2018, 2:33 am*

This is something i started on, its not close to done but just posting a preview so you can tell me if im on right direction or not.

Hmm, this really wasn't a kind of style I think I could do, but tried something anyway.

Just because the last one kind of sucked.

Aaand another one:
