Khabib vs McGregor ... what are your thoughts? Who do you think is going to win, who do you want to win?

I'll probably bet on Connor McGregor. Even tho the ruski is undisputed.

Yeah the ruski is a good wrestler though. Ill probably bet that khabib hits the ground in 3rd round.

I like Connor but i prefer Khabib to win just for the way he's been treated by Connor.

I think I agree with that. I don't think I would bet on this fight. I reckon its something to just be seen. Conor can end it in the first 10 seconds, potentially. On the flip side, if conor is taken down and mauled for 2 mins in one round .. fight is as good as over. I don't think Conor has enough gas in the tank for that.

Connor isn't even the best i've seen just the hype around him suggests that he is.
