Thread: [\[FREE\] Admin Finder Download](#)

Njord - October 5, 2018, 3:45 pm

Hello and welcome. I would just like to say i did not spend ages making this program. Also there are plenty others on the internet. But i have trust issues so i decided to build my own. This only took me 1 hour and may have error's. Other then that here is the [Download](#) and also the [virus scan](#) Please note i did Obfuscate it so it will show detections.
