Thread: [Official Taco Tuesday Day](#)

Omniscient - October 9, 2018, 10:52 am

If you have a taco restaurant (Del Taco, Taco Bell, or whatever) near you then head out there. Take a pic of yourself in front of your computer screen with HF on it or from your mobile with a piece of paper saying "HF Rulez the Universe" and your username, WITH A TACO. You can either post the pic or if you prefer privacy you can PM me. Even better if you share your photo across your social media linking to HF.

Go Tacos for lunch today and earn the Taco Award (same as on my profile)!

Enjoy.

YuDoDisToMe - October 9, 2018, 10:55 am

What if we do not have any of these haha, can we make our own Tacos?

Valid for 24 hours?

There are barely any Taco ? restos in my city will have to hunt + night time. :P

Do Quesadillas from Taco Bell count?

Bluffer - October 9, 2018, 11:13 am

Great idea! I might have to do this.

On my way now. I'm really hoping by some miracle I meet another HF member there.

Quesadillas are not tacos. But they are the best thing from Taco bell with the crunch wrap supreme and taco salad after.

spradebassen - October 9, 2018, 11:22 am

may we see your picture of the tacos?

Meow - October 9, 2018, 11:23 am

Uhhh does kebab count? I have one that is 5 min away from me. ?

iNviZ - October 9, 2018, 11:28 am

We're definitely having tacos tonight. Awesome.

Bluffer - October 9, 2018, 11:30 am

Can I take a picture of a taco with my HF profile in the background on my laptop and that be enough?

I would have to drive across the city so I must know if this is enough or not.

No, it's a taco award. I'll allow soft-shell though.

Bluffer - October 9, 2018, 2:00 pm

I don't drive so I had to take a bus to the taco place.

But I didn't have bus fare (only BTC/Card) so had to go to the store to get bus fare first.

Then I had to wait for the bus

Then I finally got to the taco place, had to wait for the taco to be made

Then I had to wait longer for the bus to get back home

Then I finally got home, but they were cold, but still good ;)

Edit: Fuck me- I wrote world instead of universe. If this isn't good enough I'll be sad. As I already ate my tacos.
