Thread: [Browser Anti Popup Taurus for the Xbox One!](#)

taurus2000 - October 11, 2018, 12:28 pm

Hey guys, may I introduce to you the Browser Anti Popup Taurus for the Xbox One!

It blocks all kinds of popups, even the redirecting ones.

You can find it in your Xbox store by searching for the keyword "Browser".

Store link: microsoft.com/en-us/p/browser-anti-popup-aurus/9nxb5wws8qzr

Facebook page: facebook.com/SolutionsTaurus/

Website: taurusbrowser.com

Youtube: youtu.be/qnEXYkcFVSw

Have fun!

AnthonyYount - October 11, 2018, 11:02 pm

Search YouTube for your problem

Pushing it a little <3<3<3

taurus2000 - November 12, 2018, 4:00 pm

It's a very good browser guys, I promise!

Internet Security - November 12, 2018, 6:36 pm

Don't mean to be annoying but i have never had a pop up on xbox? even after a mad porn sesh with the girl still nothing?

The browsers even freeze for some reason, except mine of course

taurus2000 - November 27, 2018, 2:12 pm

Pushing it a little <3<3<3<3 :D, I love hackforums by the way! All other forums delete it directly.... Do you guys now of any alternative sites like this?

taurus2000 - December 2, 2018, 6:57 pm

Have to push it again <3<3<3

taurus2000 - January 2, 2019, 10:02 pm

want to push it again, new update is pretty cool, check it out :)

taurus2000 - March 23, 2019, 4:46 am

Need to push the browser a little :), it's still very relevant, you can watch shin chan for free with it!!
