Thread: [hack-tools.net - obvious scam.](#)

J.P.Belmondo - October 12, 2018, 4:46 am

I dont understand why this website is being advertised here. This is just pure scam
[i.imgur.com/FnRBGBE.png](#)

jpg exploit 0day - 550euro - obvious scam.
smoke botnet - the owner of smoke botnet has not been online on jabber since few weeks, his main sales thread is locked.
formbook - ng.coder is only selling on his own forum
diamonfox - steveking is not selling this shit anymore.

UpTheCrust - October 12, 2018, 1:55 pm

Staff doesnt vet all the ads as far as I know. In the past people have reported similar scam ads and staff has taken them down

freakless33 - October 13, 2018, 9:00 am

seem like scam so be carefull

zeuxhaxor - October 19, 2018, 10:49 am

thank you so very much for this review. Almost wanted to deal with them but had to look for the review

m4ll0c - November 23, 2018, 2:27 am

hte site is down, after I send some e-mails.

PerfectStorm - November 23, 2018, 2:29 am

Is this suppose to be spam or something? Just saw 1-2 other threads on this weird

Omniscient - February 21, 2019, 2:04 pm

I think I closed the members account who advertised it here.

R4NS0M - February 27, 2019, 4:25 am

lol wtf

tmsuccess - April 13, 2019, 11:29 am

you didnt close it because i just fell a victim and i have been ripped

NERO - April 13, 2019, 11:34 am

I sense closed is coming...

Don't deal with shitty websites where you cant vet the seller.

I don't read every thread on HF. If you want to directly bring something to my attention it is best to PM me directly.

Thank you.

nCuX0 - August 10, 2019, 3:51 pm

Sorry i should have know that, lesson learned.

This scammer just contacted me on skype and i found it funny:

Lombarspine - August 10, 2019, 3:59 pm

LMFAO get rekt :-)) nice to see him getting banned :D

joker69696 - August 11, 2019, 11:55 am

yeesh these days there are many scammers

madmelon223 - December 18, 2020, 12:17 pm

Just dodged a bullet... I almost sent him money today. I became suspicious when he refused escrow
