Thread: [Cant buy coins on crypto game?](#)

JAS - October 12, 2018, 1:42 pm

There is no purchase section when i click on a coin, <https://hackforums.net/cryptogame.php>

Anyone know why? :O

strange

i think they also need to add a short option & buy and sell orders would make it a lot more fun

I think 3p1c is suspended so this is causing problem
Wait I will contact admin about this and let you know ?

Working for me aswell, perhaps you need to update your .css?
I think something was mentioned in the announcement post.
