How many gigs is the card?? I'm interested

MAST3RM1ND19 - October 13, 2018, 5:23 am

Wow that's pretty cheap, goodluck man

vaxton - October 13, 2018, 5:25 am

How much would it cost to send to send it to lebanon?

Ill buy it if the shipping is not expensive.

This card new is \$400 I see people selling it used for \$275-\$300 so \$200 is a steal for this card.
