Thread: [Hire someone to send DMCA to delet website from search google](#)

**silentxh** - October 13, 2018, 5:55 am

Hello,

I'm searching for someone how can sned 'fake" dmca to google and delet 2 urls from google search.

the 2 urls contains illegal download links (protected by copyright) so i think that the process will not be hard.

And you cant do this yourself because?

What you want to do is reach out to the registrar and have them issue a take-down notice.
