Imfa00000000 now my 90m is missing off my account, thank god i didn't trust that retard with all my
rsgp

anywys glad to see there's still brokeboys roaming around jewing every penny they can out of you!

be wary of this retard.. i have contacted for my 90m back but you know how these retards usually
play it out. abandon their HF, start a new multi, jew ~\$70 to feed their family for a week rinse repeat

and yes, i know it's offsite and invalid. i'm posting this to make sure you guys don't get scammed on
here

thanks, and i hope you're all having a nice day! :)
