Thread: [Free 401,000 Canada Emails list txt](#)

fatah2015 - October 13, 2018, 2:00 pm

hello friend this fist post for me here

i wanna be happy and make more friends

and learn more about haker

thanks for my friend M.BOSE give me that site

that my list email give it to all

[align=center]thanks to all

i cant send my text sorry guys

i cant send my text sorry guys

First of all Read the [Help Docs](#) carefully.

Database Dumps are not allowed at HF and it will be nice if you can improve your grammar a bit and stop using weird formatting styles.
