Thread: [My luxury life-style in Colombia / Cocaine parties and hookers](#)

BelaChange - October 17, 2018, 9:17 pm

I'm worst than a woman when it comes to shopping,
i spend daily \$150-200\$ on brands like diesel ray ban cavara chevingon etc
i stay on 4 stars hotel with great buffet every-morning and food to the door whenever i'm hungry.

and of course, how not? cocaine and hookers everyday ?
that's what i'm talking about cabrons.
